

**§ 160A-686. Rates, fees, charges, routes, and schedules.**

(a) Notice. – The Board of Trustees must give at least 30 days' public notice of any change to rates, fees, charges, routes, or schedules, except as necessitated by an emergency situation. The Board of Trustees must report any change to rates, fees, charges, routes, or schedules to the Secretary of the Department of Transportation and to the Joint Legislative Commission on Governmental Operations.

(b) Regulation. – Notwithstanding G.S. 62-3(23)a.3. and 4., the North Carolina Utilities Commission shall not have jurisdiction over the provision of ferry transportation service within the Authority's service area. (2017-120, s. 1.)
